## OUR SATISFIED CLIENTS

## OUR MISSION

To exceed our customers' expectations with innovative and bespoke Assurance, Testing, Inspection and Certification services for their operations and supply chain. 24/7.

## OUR VISION

To be the company that best understands and satisfies the product, service and self-fulfillment needs of People – All over UAE.

## OUR SERVICES

### ALUMINIUM CURTAIN WALLS

We cater a huge array of superlative curtain wall frames that is manufactured from the superior quality aluminum. We have firmly positioned ourselves as one of the supreme aluminium curtain wall frames exporters, based in UAE.

Our extruded curtain wall frames are provided in varied wonderful designs and colors. Easy installation, high quality and long lasting sheen are some of the salient features of our aluminium curtain wall frames. We provide aluminium curtain wall frames at very moderate prices and that too within the stipulated time frame.

### ALUMINIUM WINDOWS

An ample assortment of impeccable quality-casement windows is provided by us. Our cost effective aluminium casement windows are graceful and are quite convenient to use. Immensely used in the buildings, residential complexes, offices etc. Our glen-grove casement windows are the perfect blend of quality and performance.

### ALUMINIUM DOORS

Avail from us a huge gamut of highly durable and reliable aluminium doors that is a perfect prevention solution. Our aluminium folding doors are manufactured from the high quality aluminum that assures their rust proof and anti abrasive nature. Highly versatile, our aluminium folding doors can be easily installed into any type of frame.

Easy to clean and maintain, our aluminium folding doors are in huge demand in the national and international market. We have carved a niche as the most predominant aluminium window doors manufacturer in UAE.

### ACP CLADDING

We provide a wide range of high quality panel cladding tray that is widely used for cladding the external part of buildings, false ceilings, partitions etc. We have carved a niche as one of the ecstatic composite panel cladding tray suppliers, based in UAE. Aluminium cladding is durable, hygienic, lightweight, low maintenance and recyclable.

## OUR CLIENTS SAY

**Abdulla Al Ghurair**

The level of service I received from the sales agent, engineer, fitters and after-sales service can only be described as first class."

**Maryam**

The price and the product are excellent. I also experienced first-class customer service from commencement to completion of the work."

**Saeed Harib**

I am thrilled with the work. I will recommend Zealcon uPVC to anyone I know who needs windows."
